Food Ingredients = \$ 33B

■ Stabilizers ■ Colours ■ Flavours ■ Emulsifiers

I got an idea and then what?

HOW WE STARTED

With the help of many partners

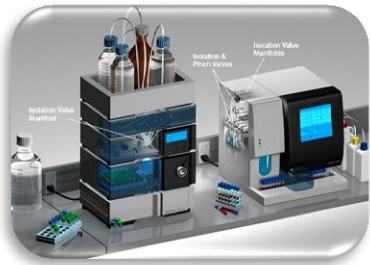

At the university in an innovation course

Bootstrapping as much as we could

Test tubes VS websites

THE CHALLENGES FOR A STARTUP IN LIFE SCIENCE

I have an idea in life science

I have an idea of a new website

Personal and professional growth at warp speed

THE REWARDS OF ENTREPRENEURSHIP

Add value and sustainability in the
coffee value chain
