

**The Egyptian-Dutch Advisory Panel
on Water Management**

**Facing Water Scarcity,
multi-perspectives for Egypt**

Delta Conference, 30 September 2010, Rotterdam

Drs. Henk Tankink

Panel member,
Representative NL Ministry for Economic Affairs

APP

Statements for discussion

The focal point for further study and action is to identify the modifications to the public decision-making process that enable the government to integrate policies.

Exchange of knowledge should be directed to learn from best practices elsewhere
