Climate into Line

This slide features a large green wheelbarrow on a metal stand, filled with white granules. A person's hand is shown pouring more granules into it. The background is a blue sky with a white sun icon. The text 'Climate into Line' is written in a stylized font. Below the main image is a horizontal strip of seven small, square images showing various natural and agricultural scenes.

Adaptation

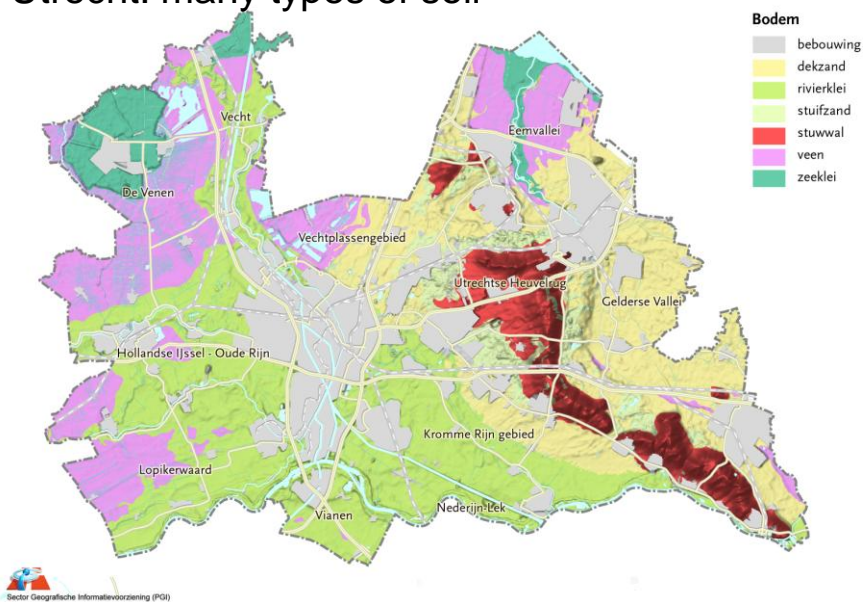

Klimaat op Ora

This slide features a close-up of an elderly man with a blue shirt eating a yellow ice cream bar. To his left is a large, open indoor space with several white tables and chairs, possibly a greenhouse or exhibition hall. To his right is a close-up of cracked, dry earth. The background is a blue sky with a white sun icon. The text 'Klimaat op Ora' is written in a stylized font. Below the main images is a horizontal strip of seven small, square images showing various natural and agricultural scenes.

Utrecht: many types of soil
