

Spatial management of the North Sea Dogger Bank area: International and multidisciplinary challenges for an integrated maritime policy.

A workshop organized by the Wageningen UR, Centre for Marine Policy (CMP)
Grand Hotel Post Plaza, Tweebaksmarkt 25-27, 8911 KW Leeuwarden
2-4 September 2009

Wednesday 2 September

12:00-13:00 Reception and lunch buffet

Chair: Martin Pastoors

13:00 Welcome by **Martin Pastoors** (director CMP)

13:10 **Arthur Mol** (Professor of Environmental Policy Group, Wageningen University):
*Background and ambitions for Wageningen UR Centre for Marine Policy and
Introduction to the Dogger Bank case; why we are here and what we want to get out of it.*

13:30-14:30 Keynote by **Haitze Siemers** (EC MARE Head Maritime Policy North Sea and Baltic Sea,
presented by Hermien Bussbach)
Integrated maritime policy, maritime spatial planning and the North Sea Dogger Bank.
With comments from: Anders Carlberg (Västra Götalandsregionen, Sweden)

14:30-15:30 Keynote by **Simon Jennings** (CEFAS)
Human-environment interactions on the Dogger Bank
With comments from: Hans van Oostenbrugge (LEI, NL)

15:30-16:00 Coffee/Tea break

Chair: Chris Karman (IMARES)

16:00-17:00 Keynote by **Harm Dotinga** (Netherlands Institute for Law of the Sea, Utrecht University):
Competing legal claims on the Dogger Bank.
With comments from: Hans Nieuwenhuis (LNV, NL)

17:00-18:00 Keynote by **Euan Dunn** (NSRAC/RSPB)
Stakeholder inclusion and exclusion on the Dogger Bank
With comments from: Stefan Lutter (WWF Germany), Mark Tasker (JNCC, UK)

18:00-18:30 Snacks and refreshment
Short presentation of survey results by David Goldsborough

18:30 Closing

Thursday 3 September: keynotes (continued) and breakout sessions

Chair: *Hans van Oostenbrugge, LEI*

09:00-10:00 Keynote by **Jan van Tatenhove** (Environmental Policy Group, Wageningen University – presented by Luc van Hoof)
Marine and maritime governance
Comments by: Ann Bell (North Sea Commission), Manfred Vollmer (Wadden Sea Forum Secretariat, Germany)

10:00-11:00 Keynote by **Doug Wilson** (IFM, Denmark)
The science-policy interface in spatial management of the Dogger Bank
Comments by: Sebastian Linke (University of Gothenburg)

11:00 Introduction to break-out sessions

11:05-11:30 Coffeebreak

11:30-13:30 Breakout sessions (round 1)¹

Breakout session 1A: Sustainable management and the design of marine spatial planning arrangements

What are the management and design principles for marine spatial planning? What are the differences and similarities with spatial planning on land? Discussion and elaboration of national and EU initiatives

Chair: **Jakob Asjes** (IMARES)

Breakout session 2A: Multifunctional use of the sea

How to integrate sectoral marine activities? What knowledge is needed? How to deal with the different governance dynamics

Chair: **Arie van Duijn** (LEI)

Breakout session 3A: Science-policy interface

Knowledge-production and knowledge construction. The interface between science (different disciplines) and policy (policy making institutions concerned with MPA's and maritime spatial planning) and the dilemma of their integration

Chair: **Doug Wilson** (IFM)

13:30 Lunch

14:30-16:30 Breakout sessions (round 2)

Breakout session 1B: Sustainable management and the design of marine spatial planning arrangements

Chair: **Stuart Rogers** (CEFAS, UK)

Breakout session 2B: Multifunctional use of the sea

Chair: **David Goldsborough** (Wageningen UR CMP)

Breakout session 3B: Science-policy interface

Chair: **Esther Turnhout** (Wageningen UR)

16:30-17:00 Snacks and refreshment

17:00-17:30 Impressions of the day by **Arthur Mol**

17:30 Closing

¹ During breakout sessions, participants may show “flash presentations” of their work or approach. The flash presentations should be no longer than 3 minutes and have a maximum of 5 slides . Please announce your wish to show a flash presentation and the session you want to pitch it to marja.bruisschaart@wur.nl

19:00 – 22:00 Workshop dinner

Friday 4 September 9:00-12:00: plenary discussions and conclusions (research agenda)

Chair: Arthur Mol (Environmental Policy Group, Wageningen University)

- 9:00-9:30 Presentation of results of Sessions 1A and 1B: **Sustainable management and the design of marine spatial planning arrangements**, by Jakob Asjes and Stuart Rogers
- 9:30-10:00 Presentation of results of Sessions 2A and 2B: **Multifunctional use of the sea**, by Arie van Duijn and David Goldsborough
- 10:00-10:30 Presentation of results of Sessions 3A and 3B: **Science-policy interface**, by Doug Wilson and Esther Turnhout
- 10:30-11:00 Coffee break
- 11:00-11:50 **Panel discussion** with chairs of sessions on results of the workshop and general recommendations on international and multidisciplinary challenges for an integrated maritime policy
- 11:50 Closing statements by **Martin Pastoors**
- 12:00-13:00 Lunch buffet
- [13:00–16:00] Opening symposium of Wageningen UR Centre for Marine Policy *“Impact of science for an integrated maritime policy”*
