www.delta-alliance.org
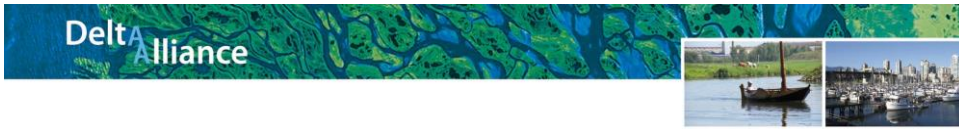

Discussion A: General level

- What kind of knowledge do you need most urgently?
- Which of these needs are general and transferable from one delta to another?
- What role can the Delta Alliance play in this field?
- Advice how to proceed?

www.delta-alliance.org
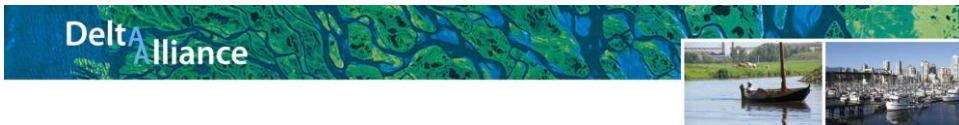

B: Comparative assessments

- What is the added value of comparing deltas?
- Which results are the most interesting for you?
- How to proceed?
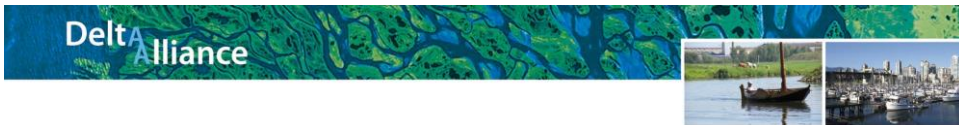

www.delta-alliance.org

C: Adaptive management approach

- Is this approach transferable to other delta's?
- What actions are needed to share this knowledge?

www.delta-alliance.org

D: Delta Alliance Toolbox

- What is the added value of the website for you?
- How can we start a real dialogue?
  (webinars, other social media...?)
- Advice for Delta Alliance how to proceed?

www.delta-alliance.org

E. Further development of the Delta Alliance

- What to focus on
- How to communicate between Wings
- How to involve new Wings
- What role for secretariat
- What role of the Wings
- How to organize the governing board
