

Practicing Change and Changing Practice in Deltas

An Analysis of Four WINN Pilot Projects

Heleen Vreugdenhil¹, Maya Sule², Jill Slinger¹, Sonja Karstens²

1.Delft University of Technology

2.Deltas

Tidal Energy (C-Energy)

Dike Strengthening (INSIDE)

Evacuation (HighWater FreeRoad)

Coastal Protection (Ecobeach)

If you are interested in:

- innovation
- Different types of pilot projects (*research, managerial, political-entrepreneurial*)
- effects of pilot projects to policy and management (*on the system, knowledge, diffusion*)
- knowledge development and transfer
- practical examples

Or: are you curious how to achieve more with your pilot project?
