

## Re-assessing Ecosystem Based Adaptation

Adaptation Futures – Rotterdam, 11 May 2016

Climate change

Disasters and conflicts

Ecosystem management

Environmental governance

Chemicals and waste

Resource efficiency

Environment under review

## Characterising EBA

“Ecosystem-based adaptation uses biodiversity and ecosystem services in an **overall** adaptation strategy. It includes the sustainable management, conservation and restoration of ecosystems to provide services that help **people** adapt to the adverse effects of climate change”

(CBD, 2009, *emphasis added*)
