

Programme

Biobased Performance Materials Symposium 16 June 2016

"R&D on biobased materials in times of volatile oil prices and the Paris climate treaty goals"

Hotel & Conference Centre 'Hof van Wageningen'
Lawickse Allee 9, 6701 AN Wageningen, The Netherlands

| | |
|---------------|---|
| 09.00 - 09.30 | Reception and Registration |
| 09.30 - 09.35 | Welcome & Opening of the symposium Jan Noordegraaf, <i>Synbra Technology (NL)</i> |
| 09.35 - 09.45 | Importance of biobased performance materials for the Netherlands Bert Jan Lommerts, <i>Latexfalt (NL)</i> and <i>Dutch Top Sector Chemistry</i> |
| 09.45 - 10.00 | Introduction to the BPM programme Christiaan Bolck, <i>director BPM</i> |
| 10.00 - 10.30 | Keynote address: Development of a portfolio of bio-based monomers for the polymer industry Erik Hagberg, <i>Archer Daniels Midland Company (USA)</i> |
| 10.30 - 11.00 | Coffee break |
| | Session 1: Converting and Processing |
| 11.00 - 11.25 | Biopolymers: from the bench to industrial scale Ulla Trommsdorff, <i>Sulzer (CH)</i> |
| 11.25 - 11:35 | GlueReed - Reed fibre boards based on bio-based and biocompatible water-borne polymer resins (video clip) <i>DSM Coating Resins (NL), CS Process Engineering (UK), Compakboard (NL), Natuurmonumenten (NL), Wageningen UR Food & Biobased Research (NL)</i> |
| 11.35 - 12.00 | New bio-based barrier material for flexible packaging Hans Martens, <i>Sabic (KSA/NL)</i> |
| 12.00 - 12.25 | Embedding biobased solutions into traditional value chains Lawrence Theunissen, <i>Reverdia (NL)</i> |
| 12.30 - 13.45 | Lunch |

Programme - *continued*

Session 2: Biobased chemicals become polymer materials

- 13.45 - 14.10 **Renewable materials at DuPont - Transforming the world to more sustainable feedstocks**
Ernst Poppe, *Dupont (USA/CH)*
- 14.10 - 14.35 **Renewable roofing membranes - a world to DISCOVER**
Wouter Jan van den Berg, *Icopal (NL)*
- 14.35 - 15.00 **Van Wijhe Verf is building along with green paints**
Jan Wessels, *Van Wijhe Verf (NL)*
-
- 15.00 - 15.30 Coffee break
-
- 15.30 - 15.55 **Adding value to speciality chemicals with biobased resources**
Hans Ridderikhoff, *Croda (UK/NL)*
- 15.55 - 16.30 **Panel discussion with Dutch R&D organisations**
Moderator: Jan Noordegraaf, *Synbra Technology (NL)*

Yvonne van der Meer, *Maastricht University*
Jan Jager, *Stenden University of applied sciences*
Jan Willem Slijkoord, *TNO*
Jacco van Haveren, *Wageningen UR*
-
- 16.30 - 16.45 **Closing remarks**
- 16.45 - 18.00 Drinks
-
