

IMARES Workshop

Marine Protected Areas

Dutch North Sea (Natura 2000)

high seas (UNGA 61/105)

Wednesday 20 January 2010, IMARES, IJmuiden

*Update your knowledge on marine protected areas!
In the morning session we treat issues related to the North Sea (Natura 2000), and in the afternoon we will show recent developments on the high seas (areas outside the EEZs, worldwide). This workshop is intended for IMARES / WUR / LNV employees and other interested persons.*

When: Wednesday 20 January 2010
Where: IMARES, Haringkade 1, 1976 CP IJmuiden (in meeting room at the Dokweg)
Organisation: IMARES habitats and spatial ecology theme group (Henk Heessen, Erwin Winter and Oscar Bos)
Registration: Oscar.bos@wur.nl
