# Author Correction: Heritability estimates for 361 blood metabolites across 40 genome-wide association studies

Fiona A. Hagenbeek, René Pool , Jenny van Dongen , H.M. Draisma, Jouke Jan Hottenga, Gonneke Willemsen, Abdel Abdellaoui, Iryna O. Fedko, Anouk den Braber , Pieter Jelle Visser , Eco J.C.N. de Geus , Ko Willems van Dijk , Aswin Verhoeven , H. Eka Suchiman , Marian Beekman , P. Eline Slagboom , Cornelia M. van Duijn, BBMRI Metabolomics Consortium, Amy C. Harms , Thomas Hankemeier, Meike Bartels , Michel G. Nivard  & Dorret I. Boomsma 

Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-13770-6>, published online 7 January 2020.

The original version of the Supplementary Information associated with this Article included an incorrect Supplementary Data 1 file, in which additional delimiters were included in the first column for a number of rows, resulting in column shifts for some of these rows. The HTML has been updated to include a corrected version of Supplementary Data 1; the original incorrect version of Supplementary Data 1 can be found as Supplementary Information associated with this Correction.

In addition, the original version of this Article contained an error in the author affiliations. An affiliation of Abdel Abdellaoui with Department of Psychiatry, Amsterdam UMC, University of Amsterdam, Amsterdam, The Netherlands was inadvertently omitted. This has now been corrected in both the PDF and HTML versions of the Article.
