**Petra Manderscheid**

([petra.manderscheid@jpi-climate.belspo.be](mailto:petra.manderscheid@jpi-climate.belspo.be)) /

**Fokke de Jong** ([fokke.dejong@wur.nl](mailto:fokke.dejong@wur.nl))

## SINCERE PARTNERS

**Strengthening International  
Cooperation on climate change  
Research**

# GLOBAL COOPERATION FOR CLIMATE KNOWLEDGE

## HORIZON 2020

SINCERE is the Coordination and Support Action funded from the European Union's Horizon 2020 Research and Innovation programme under grant agreement Nr 776609

**[www.jpi-climate.eu/sincere](http://www.jpi-climate.eu/sincere)**

## OUR AIM

**SINCERE aims to strengthen the European & international linkages to enhance Climate research**

in a diversity of disciplines and sectors. SINCERE will also involve the business sector and global financial institutions, other key international research as well as policy and societal actors.

## WE ARE

A H2020 Project within the JPI Climate programme to **increase open international climate change research & innovation cooperation.**

It involves more than 22 European and international partners that support the implementation of the Paris Climate Agreement, the Sendai Framework for Disaster reduction and the UN Sustainable Development Goals.

## IMPLEMENTATION

**MANAGE**

**WIDEN**

**IMPLEMENT**

**ACT**

**COMMUNICATE**

Implementation by doing through widening and strengthening of the consortium and concrete Actions

## OUR ACTIVITIES

Two Flagship Actions, AFRICA & LATIN-AMERICA will focus on the design of research and innovation collaborations.

The aim is to expand and deepen knowledge to support the uptake of climate change adaptation and mitigation policies, climate services and resilience to disasters linked to climate change.

SINCERE will also focus on Eastern and Southern European countries to be more engaged in the JPI Climate activities.
