- ⁴¹ Caring Farmers, through crowdfunding, launched a TV-commercial to share their passion for food production that is based on respect for the planet, people and animals and invite everyone to “Help them farm differently”: <https://youtu.be/gj-eDKkoX6Q>

⁴² In response to the increasingly polarized debate about agriculture in the Netherlands and the decline in willingness to listen and respect each other's vision, Jeroen Candel and Joris Lohman launched a 'Manifest for the revival of the agricultural debate'. Signed by 42 farmers, politicians and academics they call for courtesy and respect to support the development of creative and novel ideas. <https://www.foodlog.nl/artikel/manifest-tot-herleving-van-het-landbouwdebat>

⁴³ In a recent manifest, signed by 170 Netherlands-based scientists, five proposals for a post-COVID 19 model are presented and aim to craft a radically more sustainable and equal world. <https://www.universiteitleiden.nl/binaries/content/assets/sociale-wetenschappen/ca-os/planning-for-post-corona---en.pdf>

⁴⁴ The importance of a long-term policy was identified as the first priority in a recent plan for nature inclusive farming presented to the Dutch Minister of Agriculture by sixty agriculture and nature organisations. Available at: <https://www.natuurenmilieugelderland.nl/wp-content/uploads/2020/01/10-stappenplan-kringloop.pdf>
