

Step by Step:

How to automatically update your ORCID via Pure

1. Go to [Pure \(https://ris.wur.nl\)](https://ris.wur.nl) and log-in, using your WUR username and password (if you work from home, be sure to switch on VPN first via FortiClient).

2. In Pure, go to your **Personal Overview** and click on **Edit profile**

3. In **Edit profile** you can click on **Create or Connect your ORCID ID**. This will take you to the ORCID website where you can log-in to ORCID or create an ORCID ID.

4. You will then see the following screen. Click on **Proceed**.

Connect with your ORCID ID

You will now be directed to the ORCID site where you can generate your ORCID ID (if you don't already have one) and/or authorise the export of content (e.g. research outputs) from Pure to your ORCID record.

Upon setup, Pure will export the following content immediately, and then subsequently automatically update it at a frequency determined by your Pure administrator:

- Institutional organisational affiliation
- Other personal identifiers (e.g. Scopus author ID, Researcher ID)
- Your research outputs, where:
 - the publication status is either 'E-pub ahead of print' or 'Published'
 - the visibility of the record is 'Public - No restriction'
 - the workflow step is at least 'Validated'.

5. Once in ORCID, log-in and **Authorize access**.

Wageningen University & Research ?
has asked for the following access to your ORCID record:

- Add/update your research activities (works, affiliations, etc)
- Add/update other information about you (country, keywords, etc.)
- Read your information with visibility set to Trusted Organizations
- Get your ORCID iD

Authorize access

Deny access

6. After authorization in ORCID, you are re-directed back to Pure, and your ORCID ID will now appear in your personal profile. **Make sure to save your edits** to your personal profile.
