

EURCAW-Pigs

Communication and dissemination

Reflection Board meeting
26th October 2021

Marko Ruis

European
Commission

Communication and dissemination

- 'Hot' topics (meetings, Q2E's, website statistics)
- Knowledge base
- Translations

Our key welfare topics

Welfare on the farm

- ✓ Tail biting and tail docking
- ✓ Farrowing house management
- ✓ Group housing of sows

Welfare during transport

- ✓ Space allowance and temperature
- ✓ Fitness for transport

Welfare at slaughter

- ✓ Handling in lairage
- ✓ Stunning
- ✓ Killing on farm

Meetings with CA's and policy workers

Hot topics which were requested for discussion:

- Tail docking (every meeting!)
 - enrichment materials
 - Action plans
- Farrowing housing and management
- Killing for disease eradication
- Slaughtering and killing: stunning, handling
- (Fitness for) Transport

Meeting NRC/NSB July 1

Hot topics discussed with experts supporting Member states:

- Tail biting
- Farrowing crates (“End the Cage Age”)
- Castration (also with regard to export outside the EU)

European
Commission

Q2E's

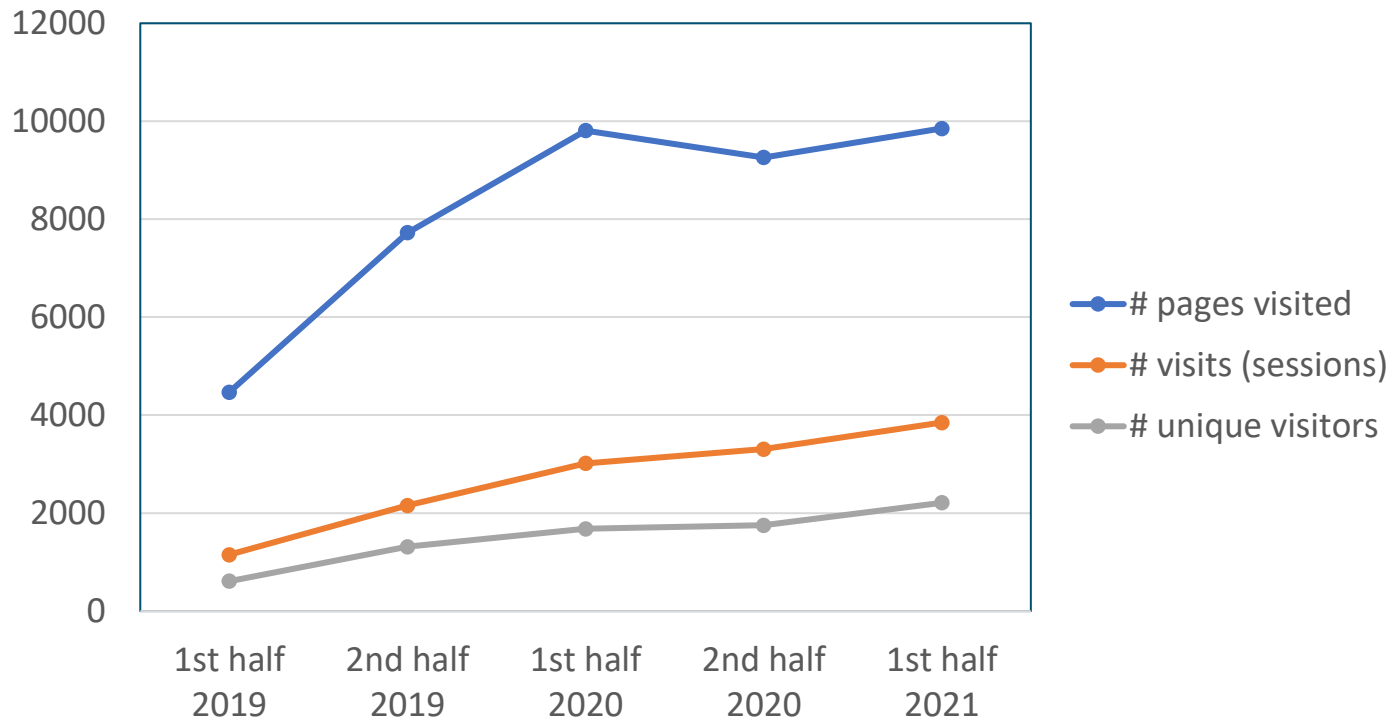

Limited number of topics are asked for a lot:

- Tail biting and docking: risk factors, enrichment, costs of tail biting
- Stunning: gas, electrical, state of consciousness

European
Commission

Knowledge base

Webpage 'Indicator factsheets' often visited; indicator factsheets often downloaded.

Where can you find these in the knowledge base?

-> Short demo

European
Commission

Translations

- Currently all EURCAW-Pigs' output is published in English.
- Factsheets and sharing them between Member States are a real help -> more 'accessible' by translating.
- On dedicated webpages on the centre's website.
- Translation of indicator fact sheets into French, German, Spanish and Dutch.
