Not only Windows

Framework to position tools and their support - integration

Use Technology readiness level – matrix for tool integration

References needed to study the usability triplet for quality impact

Right To Play, K.v. Lammeren, 2019

the Human touch !

- Not only "Sound & Vision"

- Sense of place

- Genius Loci of the Campus

- Mutual interplay

What sense of place needs to
integrate DLE

"I miss the C-learning tools
- *full dampy classrooms*
- *early morning emotions*
- *body languages"*
