The authors inadvertently omitted funding information for this study. The correct Acknowledgments section reads as follows:

This study was supported by the earmarked fund for the China Agriculture Research System (CARS-36; Beijing, China), the National Natural Science Foundation of China (32150610478; Beijing, China), and the Program for Changjiang Scholar and Innovation Research Team in University (IRT\_15R62; Beijing, China). We also thank the Dairy Association of China (Beijing, China) for providing the pedigree datasets. The authors have not stated any conflicts of interest.
