

Training video

Assignment Video 1 '[Preparing the inspection and meeting the farmer](#)'

Discuss in your team (sharing 2 by 2 followed by a plenary follow-up):

* **How do you prepare for an inspection visit?**

* **Do you spar with each other about this?**

If yes - how? Be as specific as possible.

If you don't - would it be preferable and how should it be organised? Be as specific as possible.

* **How important is the first meeting with the farmer?**

* **What defines a good meeting?** Exchange examples of meetings starting of good.

* **What defines a problematic first meeting?** Exchange examples of meetings not starting of well?

* **Is it important to keep a professional distance?** Why / why not? Be as specific as possible.

* **How do you meet the farmer as a fellow human being... or do you try to keep as professional a distance as possible?** Exchange examples of both how you communicate to the farmer with or without a professional distance.
