Assignment Video 5 '[Collegial sparring](#)'

* Conduct in your team individual and anonymous scorings of:

- 1) In general, how important do you think collegial sparring about how to deal with on-farm animal welfare problems are - both technically and personally? (1 not - 5 very important)
- 2) Do you have one or more colleagues you share experiences with how you deal with on-farm animal welfare problems - both technically and personally? (no, to some degree, yes)
- 3) Do you share experiences with your management about how you deal with on-farm animal welfare problems - both technically and personally? (no, to some degree, yes)
- 4) Add questions yourself...

In plenum: Share the anonymous results of the scorings in your team and discuss:

* How do we use each other as collegial sparring partners about how to deal with on-farm animal welfare problems are - both technically and personally?
